An eco-community on a mission to rescue food from landfill

Every week tonnes of fresh and edible food is thrown away by supermarkets in the UK as they clear older stock to make room for the new. Fresh fruit and vegetables, bakery products and store cupboard items which still have days and weeks of life remaining are destined for landfill, adding to the ever growing problem of CO2 emissions and climate change.

Food Rescue Hub rescues this food, crates and crates of it every week, and diverts it to fill tummies, not landfill. We make this food available to our ever-growing community of food rescuers who, like us, don't want to see perfectly good food go to waste. Everyone is welcome to bring their two empty bags and come and rescue food from our Hubs, and in doing so will be contributing to halting climate change.

Your donation towards your rescue is what keeps our project sustainable and which allows us to recover food for you to rescue. The suggested minimum donation of £5 for two bags of shopping per rescuer but of course any amount you can contribute is very gratefully received.

Pay-it-forward

We run a scheme which enables people to pay a donation in order for someone else who may need it, to get their rescue shopping for free. All donations welcome at our Hubs or via our website. Anyone is welcome to request a pay-it-forward voucher anytime, no questions asked.

The Borehamwood YouthZone Saturday Project

The Borehamwood YouthZone Saturday Project is an exciting new project for all young people in the local area aged 11-17, up to 25 for care leavers and those with special educational needs and disabilities (SEND). All young people in these age ranges are welcome to attend - no booking or referral is needed.

Through interactive workshops and fun activities, including music, dance, sports and creative arts, our qualified Youth Workers help young people to:

- Develop essential life skills including decision-making, communication, and conflict resolution
- Learn skills to improve their emotional wellbeing and build resilience
- Make informed choices and build healthy relationships
- Keep themselves safe from exploitation
- Increase their awareness of the consequences of substance misuse and anti-social behaviour
- Identify and achieve their aspirations
- Find out about opportunities in their local area, including other Services for Young People youth work projects such as youth councils, through which they can become active citizens and changemakers in their communities.

The young people attending are enabled to shape the content, delivery and development of the project at every stage.
